

STEPHANIE KASSEL, PMP®

SENIOR PROJECT MANAGER • ENTERPRISE PROGRAMS & SYSTEMS INTEGRATIONS

Fort Mill, SC • 980-219-1932 • stephaniekassel@yahoo.com • [linkedin.com/in/stephaniekassel](https://www.linkedin.com/in/stephaniekassel)

PROFESSIONAL SUMMARY

PMP-certified Senior Project Manager with 7+ years leading enterprise programs from \$4M to \$128M across healthcare, cybersecurity consulting, and HR/HRIS systems environments. Proven track record building program governance, cross-functional stakeholder alignment, and C-suite reporting cadences that keep complex, multi-vendor initiatives on time and on budget. Skilled in systems integrations, risk mitigation, and applying AI-driven process automation to improve delivery speed.

CORE COMPETENCIES

PMP Methodology • Agile • Risk Mitigation & Resource Allocation • Program Governance
C-Suite Reporting • Cross-Functional Leadership • Vendor & Contract Negotiation • Change Management
Systems Integration (Workday, ServiceNow, CRM/ERP) • KPI Development • Gap Analysis • AI-Driven Process Automation

PROFESSIONAL EXPERIENCE

Sunbelt Rentals Inc. | Fort Mill, SC (Hybrid)

Aug 2025 – Present

HR Project Manager

- Managing a \$288K multi-region payroll and systems expansion program across 7 cross-functional domains, coordinating technical and non-technical stakeholders to keep delivery on track.
- Led end-to-end integration of a state compliance vendor, partnering cross-functionally to ensure regulatory adherence and a zero-disruption rollout.
- Delivered an on-time integration of a new retirement vendor, aligning payroll systems, communications, and cross-functional processes for a smooth transition.
- Directed a prior benefits migration across 4 vendors and an Equifax integration spanning all 50 states, coordinating internal teams and external vendor partners for a flawless implementation.

Vizient Inc. | Remote

May 2023 – Mar 2025

Senior Associate, Project Manager – Strategic Integrations & Operations

- Managed multi-practice healthcare programs with combined budgets exceeding \$128M, overseeing all phases from initiation to closure with a focus on resource allocation and risk mitigation.
- Led cross-functional teams through the integration of advanced project management software, improving collaboration and real-time data accessibility.
- Supported 70+ stakeholder interviews, synthesizing findings into gap analyses for complex operational issues.
- Built weekly reporting and communication collateral for C-suite consumption, translating complex data sets into strategic decision-making insights.
- Introduced AI-driven process automation to streamline recurring project tasks and improve delivery speed.

MorganFranklin Cyber Security Consulting | Charlotte, NC (Hybrid)

Aug 2019 – Jan 2023

Project Manager – Strategic Projects & Business Operations

- Represented the Cyber practice in an enterprise-wide requirements session for a CRM/ERP tooling rollout, ensuring integration across practice lines.
- Established baseline KPIs and led a practice-wide survey initiative, achieving a 94% response rate to drive data-informed improvements.
- Provided direct operational support to the Global Head of Talent Acquisition, streamlining recruitment processes and reporting.
- Built and maintained a centralized knowledge repository tracking skills, training, and operational documentation for a 100+ person consultant base.

Virtus Career Consulting | Matthews, NC (Hybrid)

Aug 2017 – Aug 2019

Career Consultant / Client Services Manager

- Facilitated data-driven career pathing strategies through structured assessments and analysis across an individual client base.
- Negotiated contracts to secure favorable outcomes for clients, managing engagements from kickoff through close.
- Facilitated a Career Workshop for a Fortune 500 company, managing logistics, content delivery, and stakeholder communication.
